

BABEL BREAKFAST

Our fresh approach to eating promotes healthy options and we always select the season's best.
Enjoy our morning harvest, together with produce from local farmers.

We are strictly following COVID-19 hygiene regulations to help keep you safe!

Please request coffee or a selection of fermented or fresh garden teas from your waitron.
We have a ready-to-eat spread and a hot farm breakfast – please enjoy both if you wish.

THIS MORNING'S READY-TO-EAT SPREAD:

- Babylonstoren seasonal cold-pressed juice or Elixir
- Garden crudités
- Freshly baked croissants from our Bakery, served with farm butter
- Babylonstoren honey, chutney, preserves and cheese, and additional types of cheese from surrounding farms
- Babylonstoren buffalo fior di latte with heirloom tomatoes and marinated olives
- A selection of charcuterie and biltong from our Meat Room
- Sweet or savoury granola with Babylonstoren yoghurt, roasted macadamias and almonds from our Lekker Room

Or, try our unique fruit, yoghurt and muesli breakfast option for a real treat!
Please request this from your waitron.

THIS MORNING'S HOT FARM BREAKFAST:

- Babylonstoren free range eggs (please let us know how you would like them prepared?) from the chicken coop, lightly smoked bacon, flame-grilled boerewors, fried mushrooms and slow-roasted tomatoes

Or, try our chef's breakfast.
Please request this option from your waitron.

The hot farm breakfast is served with plain or toasted bread and there is wood-fired sourdough or a gluten-free option.

BABEL-ONTBYT

Ons vars benadering tot kos fokus op gesonde keuses waarvoor ons net die beste vrugte en groente van die seisoen gebruik. Geniet ons douvoordag-oestafel wat afgerond word met 'n keur van produkte afkomstig van boere in die omgewing.

Alle Covid-19-maatreëls word streng nagevolg om jou veilig te hou!

Vra asseblief jou kelner vir koffie of 'n keur van gefermenteerde of vars tees uit ons tuin. Ons het 'n tafel vol keurige geregte wat gereed is om dadelik op te skep asook 'n warm plaasontbyt – geniet gerus albei indien jy so voel.

VANOGGEND SE ONTBYTFEES – GEREED OM TE EET:

- Vars crudités uit die tuin
- Vars croissants uit ons bakkery, voorgesit met plaasbotter

Of probeer ons unieke vrugte-jogurt-en-muesli-ontbyt vir 'n spesiale bederf.

Bestel dit asseblief by jou kelner.

VANOGGEND SE WARM PLAASONTBYT:

- Babylonstoren-vryloopeiers uit ons hoenderhok (sê asseblief op watter manier ons dit moet gaarmaak), liggiesgerookte spek, vlamgeroosterde boerewors, gebraaide sampioene en stadiggeroosterde tomaties

Of probeer ons spesiale sjefontbyt – vra jou kelner oor vandag se keuse.

Die warm plaasontbyt word voorgesit met vars of geroosterde brood – jy kan kies uit suurdeegbrood wat in ons houtoond gebak word of 'n glutenvrye opsie.
