## GENERAL INFORMATION

- Free Wi-Fi is available on the farm.
- Enjoy some fruit while strolling in our garden, but please leave some for other guests. Fresh fruits are available at the Farm Shops if you want to take some home.
- We serve delicious, farm-fresh food in our restaurants, so please no picnics.
- Regrettably no dogs are allowed, as this is a working farm with many feathery friends. (Guide dogs are welcome.)
- Watch out for our donkeys, please! Donkeys have a charm of their own, but remember that they do have teeth.
- Kindly note that pathways in the garden are gravel and covered with peach pips or twigs. This is challenging for wheelchairs (as well as parents with pushchairs). We do not have staff available to escort guests but offer wheelchairs at the Ticket Office for those with strong family members or friends who can assist.
- The Protection of Personal Information Act (POPIA) protects your personal data. This includes only processing your data for reasons that you have consented to.
- The farm is a no-drone zone.

## 49 BYZANTIUM

Step into a living temple devoted to bees – their wonder, work and golden harvest. Great for kids.
