

BABEL BREAKFAST

Our fresh approach to eating promotes healthy options and we always select the season's best. Enjoy our morning harvest, together with produce from local farmers. We offer a ready-to-eat spread and a hot farm breakfast – please enjoy both if you wish. Or, try our chef's breakfast by special request.

Please ask your waitron to bring you coffee, or choose from a selection of fermented or fresh garden teas.

THIS MORNING'S READY-TO-EAT SPREAD

- Babylonstoren seasonal cold-pressed juice
- Fresh garden crudités of the day
- Fresh croissants from our Bakery, served with farm butter
- Babylonstoren honey and preserves
- Cheese from our neighbouring farms
- Alta's "hang op" cheese from the Cheese Room
- Specially selected charcuterie of the day from the Meat Room
- Sweet or savoury granola served with Babylonstoren yoghurt and roasted macadamias or almonds from our Lekker Room

THIS MORNING'S HOT FARM BREAKFAST

Or, try our chef's breakfast. Please request this option from your waitron.
