

# MADE IN SA

No **2**  
BECAUSE  
time  
waits  
for no-one

Besides Cape Town being World Design Capital, South Africa is celebrating 20 years of democracy in 2014. Two decades of political freedom and aesthetic liberation! Here, we take you on a trip of local design milestones that have shaped our country's architecture and interiors. Learn more about local design at [VISI.co.za](http://VISI.co.za).
